## Wendy Davee Award for Service

In 2012, the Office of Alumni Relations and the Pacifica Graduate Institute Alumni Association established the Wendy Davee Award for Service. Each year, the Alumni Relations and the Association will honor our alumnae's memory with an award to one or more alums who have exemplified Wendy's spirit of service and giving.

The Wendy Davee Award for Service honors our alumna's memory by honoring alumni/ae who exemplified Wendy's spirit of community, service, and dedication – soul tending. The award is presented annually, giving the Pacifica community an opportunity to celebrate our colleague, friend, and alumna who gave so much to others. We are pleased to announce that the 2020 Award will include a monetary donation in addition to the exquisite crystal prism.

Wendy Davee (MA Counseling 1987) joined the Core Faculty of Pacifica Graduate Institute in 2000. While continuing to teach at Pacifica, she also served for seven years as Chair of the Counseling Psychology Program. Wendy was a Licensed Marriage and Family Therapist and worked extensively in non-profit, educational and governmental settings providing therapeutic services to children, adolescents and families. She supervised MFT trainees and interns and had a special interest in the healing power of symbolic play in the therapeutic relationship with children.

The Pacifica Graduate Institute Office of Alumni Relations and the Alumni Association honors recipients for their many activities and achievements that embody Pacifica's mission to *tend the souls of the world*.
